Torrance Scheduled For Radio

A 24-hour a day salute will be given Torrance for one whole week over station KLAC February 17-22, as part of that radio station's "Salute a City" feature.

About 2000 different station "breaks" dealing with certain aspects of Torrance will be used. Announcements will deal with living, working and shopping conditions, city and school activities, and interviews with civic leaders.

So stated Armand La Ponte, noted TV and radio star, at the breakfast meeting of the Torrance Chamber of Commerce Tuesday.

The event is scheduled to coincide with the Chamber's installation dinner meeting, February 20.
